Subject: NMB City Charter Proposed Amendments for November Special Election Ballot

Madam Clerk and Senior City Staff,

Attached please find the proposed amendments to the City Charter, representing the work of the Charter Review Committee, as modified by the City Commission, and per the instructions given by the City Commission two nights ago.

I have done my best to separate the items into eight distinct questions for submission to the Office of the Supervisor of Elections, for presentation to the electorate on the November ballot.

Please forward this email and attachment to the Mayor and City Commission, and also to the members of the Charter Review Committee, in the usual manner used to insure that members of either body do not communicate with each other in violation of the Sunshine Law.

The questions are due to the Supervisor of Elections by end of day tomorrow (Friday).

If anyone receiving this email and attachment has any comments or concerns, I ask that they contact me, or you, by email, text or phone to call it to our attention. As long as they do not contact each other directly.

We look forward to hearing from anyone directly, and to submitting the questions to the Supervisor of Elections.

Thank you.

Joseph S. Geller, Esq.
