NARRATIVE

On the listed date and time, I responded to the North Miami Beach Police Department lobby in reference to a harassment complaint. Upon arrival, contact was made with Linda Joseph Noel (RP), who advised Stephanie Kienzle, Commissioner Fortuna Smukler, and Barbara Kamer had been harassing her through repeated emails and phone calls.

Noel stated she sent Commissioner Smukler an email regarding issues she was noticing, which Smukler forwarded to Kienzle. Noel advised that the individuals continued exchanging aggressive and insulting emails with her throughout Sunday. Noel stated she repeatedly asked them to disengage and advised them that she did not wish to communicate with them. Noel further stated that the individuals called her names, including stupid, dumb, ugly, unintelligent, and uneducated. Noel advised that she had asked them to stop contacting her because she did not want further communication. Noel also stated that Kienzle contacted people about her and commented on posts on her social media platform. Noel denied giving Commissioner Smukler permission to forward the email she had sent to her privately.

Noel further advised that Bruce Lombardo had been harassing her by following her to her residence. Noel stated that Lombardo entered her property by opening her gate and took a photograph of her vehicle while it was parked at her residence. Noel advised that she did not personally witness Lombardo taking the photograph but recognized him in the reflection of the image after it was posted.

Noel stated that the individuals had been harassing her since January and that she had received over 100 emails during that time. Noel stated she is in fear for her life but advised that none of the above individuals threatened her or expressed any intention to cause her harm.

An NMBPD case card was issued.
