Good afternoon, Stephanie,

Thank you for bringing this to our attention. The address was redacted out of an abundance of caution, given that the individual may be a victim in a matter that is still under investigation by our Detective Bureau.

That said, I understand the questions you've raised regarding the applicable statute and exemption requirements. Since our City Clerk is copied on this correspondence, I'll defer to her, along with our City Attorney as appropriate, to review the matter and provide clarification.

We will get back to you once we've had an opportunity to review it.

Thank you,

City of North Miami Beach NMB
