Dear Neighbor,

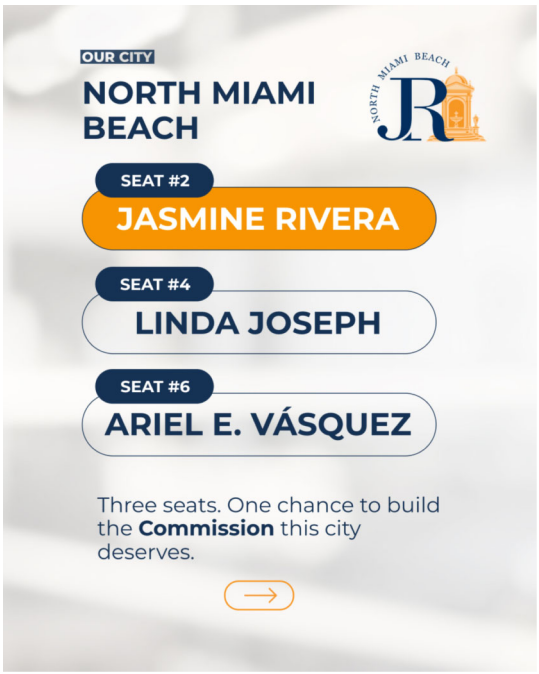

North Miami Beach is more than where we live. It is where we build our lives, raise our families, support our neighbors and imagine what comes next.

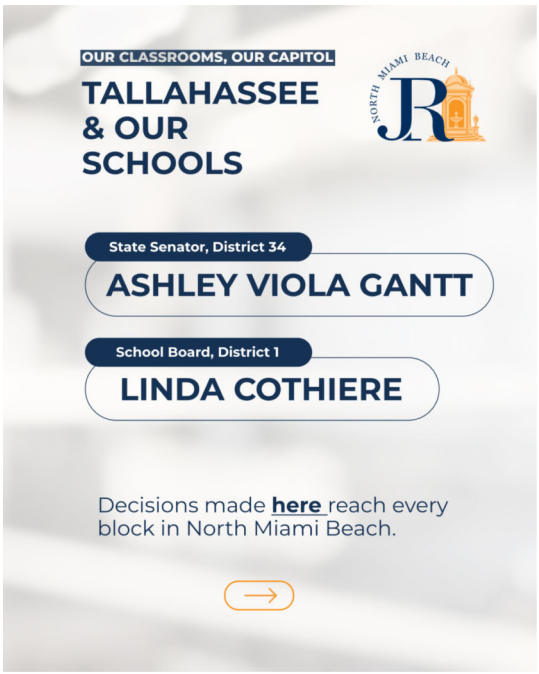

As I look toward the future of our city, I am thinking about the people who call North Miami Beach home today and the generations who will inherit the decisions we make now.

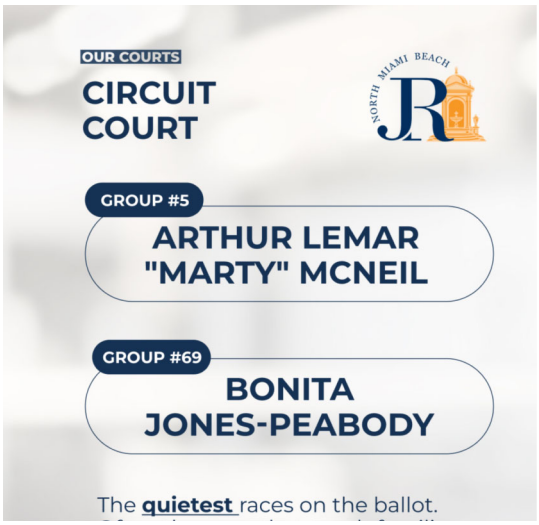

These are the people I am standing with.

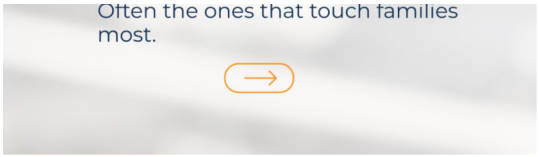

In this email, I want to share what that future looks like to me and the priorities guiding my commitment to **Our City. Our Voice. Our Future.**

OUR CITY

UNDERSTAND THE VISION

Government should be easier to understand and easier to access.

Whether you need to report a problem, find a service, understand an issue or simply know who to call, I hope this guide helps connect you with the resources available to you.

Because serving North Miami Beach starts with making information accessible.
