Dear Mr. Manager and Chief Pinillos,

Below is a second email chain initiated by Linda Joseph on October 2, 2026, with copies to many individuals, including yourselves.

Please include this email chain in your investigation of Linda Joseph's false accusations against myself, Commissioner Fortuna Smukler, and former Commissioner Barbara Kramer.

I believe that once you review the evidence you will clearly see that not only are we the victims of harassment by Linda Joseph, but also that she is not a normal person.

And that's a nice way of putting it.

Please remember to send me a copy of the report she filed.

Thank you for your assistance and attention to this matter.

Stephanie

For the record, Linda Joseph sent a harassing email (see attached) to me and to Commissioner Fortuna Smukler at 7:25 AM this morning, demanding that Commissioner Smukler **delete a PUBLIC RECORD.**

After I responded to her (see attached), she literally went crazy and escalated her rant, and started up with her "everyone is a racist" mantra.

Then she asks everyone to stop emailing her even though she started this thread.

I invite all of you to read my blogs at VotersOpinion.com, so that you can see for yourselves that I have refuted each and every one of her false statements and accusations, as well as documented her troubling behavior.

I really believe she is unfit for public office anywhere.

Slander and defamation lawsuits are not fun to file but I have made a exception in your case since you have called me out for being a racist on social media. My attorney has informed me that the process server has tried to serve you once at your address but nobody answered. They will of course keep trying until you are served. I promise you that I am going to make a example out of you, I have also asked my attorney if it's possible to involve your campaign in this lawsuit as you have made your unfounded racist claims on posts where you are runnint your campaign propaganda.

@Stephanie Kienzle - I am sending you my lawyers info, I am sure he would be happy to file a other case on your behalf, not sure how much will be left after my judgement is granted.

Your insane demand to Commissioner Fortuna Smukler for the "removal of reports and published copies of [your] email" is asking her to violate a Florida Statute, which is an illegal request.

I realize that you are cut from the same cloth as your buddy, Michael "Contempt of Congress" Joseph. He was exposed for trying to force a government employee to alter or change a **PUBLIC RECORD**. This is one of the many violations of the law for which he is currently being investigated by multiple agencies.

You and Michael are two peas in a pod. It's little wonder that he recruited you from your real home in Biscayne Gardens to run for office in North Miami Beach because, well, water always seeks its own level.

He recruited you and your "slate-mates" so he can have more control of the dais. Hopefully, he will be arrested and removed from office before that happens.

The residents of North Miami Beach will be made aware of your intent to violate the law.

I am also copying this email to the City Manager, the City Clerk, the City "Attorney," and the Chief of Police for further review.

You go ahead and "pursue" all "the legal grounds" you want because, sweetie, you got nothing.

Meanwhile, we are having way too much fun watching you make a fool of yourself. Thanks for giving me even more material for the blog.

Never forget that **THE INTERNET IS FOREVER!**
